The screenshot shows a web interface for managing contacts. On the left, a sidebar titled "您的連絡人" (Your Contacts) lists several contact groups: "連絡人參(成員)" (Contact Member), "連絡人壹" (Contact One), "連絡人貳" (Contact Two), and "測試群組" (Test Group). The "測試群組" group is currently selected and highlighted in pink. On the right, the "編輯連絡人" (Edit Contact) form is displayed. The form includes fields for "名稱" (Name), "電子郵件" (Email), and "姓氏" (Surname). The "名稱" field contains the text "連絡人參(成員)". Below the "名稱" field, there is a red plus icon followed by the text "名稱". The "電子郵件" field contains the text "33333@ntu.edu.tw". At the top of the form, there are two buttons: "儲存" (Save) and "取消" (Cancel). The "儲存" button is highlighted with a blue box and a blue arrow pointing to it.
